**Universidad Pablo de Olavide**  
**Spain**

Javier is an associate professor at the Department of Sports and Computer Sciences at University Pablo de Olavide in Spain. He works in the Faculty of Sport Sciences in Seville. His main interests lie in physical activity and physical fitness in children and adolescents from surveillance to promotion. He is involved in the Active Healthy Kids Global Alliance, and he is leading the Active Healthy Kids Spanish Network. In his leisure time he likes to exercise, spend time with his family and friends, and in the summertime he enjoys relaxing in his parent's town.

## **My Topics for the 22nd International Teaching Week:**

- 1) Global Surveillance of Physical Activity in Children and Adolescents: Current Situation and Future Direction
- 2) Physical Fitness Surveillance/Monitoring Systems for Children and Adolescents Around the World
