

# Saša Jovanović

**University of Banja Luka**  
**Bosnia and Herzegovina**

Saša Jovanović, an esteemed associate professor at the University of Banja Luka, holds the position of professor and heads the Department for Master Studies within the Faculty of Physical Education and Sport. Renowned for expertise in dance and gymnastics, Saša is dedicated to shaping the future of sports education with unwavering passion and commitment. Beyond his proficiency in traditional forms of dance and gymnastics, Saša is also actively involved in pioneering initiatives such as wheelchair dancing, which he promotes both in Bosnia and Slovenia. His efforts in inclusive sports education exemplify his dedication to empowering individuals of all abilities through physical activity and dance.

## **My Topics for the 23rd International Teaching Week:**

- 1) Dance: the Space Between Art and Sport
- 2) Adapted Dance as a Tool in Working with Special Group
