

## List of courses for exchange students

Students can choose both from bachelor and master courses. Please note that the selection of courses in the Erasmus+ application is *preliminary* and you will be required to enrol the courses in our university system upon your arrival. We reserve the right to make changes in the availability of the courses.

Semester: I = autumn semester, II = spring semester

\* The course includes APA winter camp held every year in a period between mid January and end of January. The spring semester students who want to enroll the course @THRE have to count with earlier (about three weeks) arrival for the spring semester than stated in the Palacký University Olomouc Academic Calendar. Additional payments are needed for APA winter camp (accommodation and meals in the mountains, ski pass, transportation to the mountains etc.). The course is not suitable for complete beginners; at least basic skiing/snowboarding skills are presumed.

## Courses only for Physiotherapy

Dept	Code	Title of the course	ECTS	Teacher	Semester
KFA	@KP1	Clinical Practice and Case Studies 1	5	Laštovička et al.	I
KFA	@SPKT	Special Kinesiotherapy	4	Laštovička et al.	II
KFA	@KP2	Clinical Practice and Case Studies 2	5	Laštovička et al.	II

Semester: I = autumn semester, II = spring semester

Students of physiotherapy can, of course, choose any course from either bachelor or master lists (in general bachelor students from bachelor list, master students both from bachelor and master lists) according to their preference, we recommend especially courses in the field of adapted sports for persons with physical disability; wellness and fitness; healthy lifestyle, etc.
