

INSHS March Workshop II.

A series of online scientific events with planned and optional topics chosen by one of the university which is member of INSHS.

The next one will be organized by: **Profesora Doctora Luz Amelia Hoyos Cuartas** (Docente de Planta, Facultad de Educación Física, Universidad Pedagógica Nacional, Bogotá - Colombia)

25th March 2021 at 2.00-3.30 pm. (CET) on Zoom

Topics:

Breast Cancer and Physical Activity (J.Fernandez)

Moderator: Dr. Joel Gaillard.

Presenters: Prof. Doctora Luz Amelia Hoyos Cuartas and Prof. Jairo Fernandez

The online events of INSHS are the ideal platform to bring together INSHS members, scientists and researchers from all sport disciplines connected to health, human and social life and sport sciences. It is a great platform as well to exchange ideas, promote multidisciplinary approaches and address the educational and professional development interests of our attendees. It is a recurring optional online event where representatives of all member institutes and individual members are all warmly invited.
