

Peter Bakalár

University of Prešov
Slovakia

Peter is an associate professor at the University of Prešov in Slovakia. He works at the Faculty of Sports. His main focus lies in research and promotion of physical activity for health, especially in children and adolescents. In his free time he likes to spend time with family, being physically active and read books.

My Topics for the 22nd International Teaching Week:

- 1) Physical Activity Research in Childhood and Adolescence: The Experiences from the HBSC Study, AHKGA Global Matrix 4.0 project, PARIPRE Project, and Active School Project in Slovakia
